Award-Winning Restaurants Call Shaker Square Home

Cleveland, Ohio, May 18, 2005 – In an area no larger than a town center, Shaker Square is home to a selection of restaurants covering a wide spectrum of ethnic cuisines. Within this intimate space, three of those restaurants are recipients of Cleveland Magazine's 2005 annual Silver Spoon Awards. Shaker Square can boast about being the only location in Cuyahoga county with such a closely condensed area of consistent award-winning restaurants.

Best Central European Cuisine

First place winner in this category, **Balaton** has been serving delectable Hungarian food and wines since 1964. An understated elegance and Old World charm set the tone in this 80-seat family restaurant where they are best known for their Wiener Schnitzel, Goulash soup, Hungarian wines, and homemade desserts.

Best Mexican Cuisine

Another **first place** winner is **Luchita's Mexican Restaurant**. As the name suggests, this popular eatery serves deliciously authentic Mexican food in a lively colorful atmosphere. As if the food is not enough to lure patrons, Luchita's also offers a non-smoking environment along with wi-fi access for those technophiles who want to remain connected during dinner. It is easy to see why Luchita's is so popular with the masses.

Best Cheap Eats and Best Burger

Winning **second place** in these two categories is **Yours Truly**, a family-friendly restaurant that serves breakfast, lunch and dinner in a casual atmosphere. Yours Truly has a menu item for every palate and a burger for every taste and diet, from fresh-ground, char-grilled sirloin to the popular meatless 'Garden Burger' patty." Also offering free wireless access, Yours Truly guests can check emails or the Internet from the privacy of their restaurant booth!

Other Shaker Square Eating Establishments

Rounding out the eating choices at Shaker Square is award-winning Fire – Food and Drink, Sushi on the Square, Captain Tony's Pizza and the newly opened East Coast Original Custard, proving that there is a restaurant for everyone's taste buds and wallet. ###
