**CVS/pharmacy Enhances Shaker Square's
Commitment to the Neighborhood**

Cleveland, Ohio – Cleveland's historic Shaker Square will enjoy a new anchor retailer with the opening of CVS/pharmacy on August 19th. CVS/pharmacy will occupy the space most recently filled by Joseph Beth Booksellers in the Square's northeast quadrant. The community will enjoy the convenience of the new drive-thru pharmacy window that will face the public parking lot behind the quadrant.

The addition of CVS/pharmacy is well in line with the "Night and Day" concept that is being promoted for the Square by local developer The Coral Company. Since acquiring the property in 2004, Coral has responded to the needs of the community by providing Shaker Square with the daytime retail amenities of a neighborhood town center and an evening destination for dining and entertainment options. CVS/pharmacy will join Dave's Supermarket as one of the Square's major "daytime" retailers.

"CVS/pharmacy will be a great fit for Shaker Square, as we continue to create both 'night' and 'day' personalities for the neighborhood," said President and CEO of The Coral Company, Peter L. Rubin.

Coincidentally, there is a historical precedent for a pharmacy at Shaker Square. The space currently occupied by Yours Truly restaurant—bordering on Shaker Boulevard in the southeast quadrant of the Square—was a neighborhood pharmacy for much of the Square's existence.
