### **Dobama Theater Temporarily Calling Shaker Square Home Cleveland Heights Theater Location Under Renovation**

**Cleveland, Ohio, January 24, 2007** – There has been a lot of activity occurring in the southwest quadrant of Shaker Square lately. That's because Cleveland's contemporary stage, Dobama Theater, is using this location as a temporary theater while renovations occur at their Cleveland Heights location.

So that the theater did not have to disrupt their performance season while construction was taking place, The Coral Company offered to provide Shaker Square as a venue for their performances. The temporary theater is located at 13100 Shaker Square, which is on the southwest quadrant, a few storefronts away from Shaker Square Cinemas.

Dobama Theater will be performing two premier plays at Shaker Square:

**A regional premier:**

**Thursday, January 25--Saturday, February 17, 2007 "Thom Pain (based on nothing)"**

**by Will Eno**

**Starring Scott Plate**

**Directed by Joel Hammer**

**A world premier:**

**Thursday, February 22--Sunday, March 4, 2007 "Shorn"**

**Written & Performed by Juliette Regnier**

**Directed by Pandora Robertson**

Performance schedule for both plays are on Thursdays at 7:30 pm, Fridays and Saturdays at 8:00 pm, and the first Sunday of each run at 7:30 pm, then the following Sundays at 2:30 pm.

For more information about the productions and /or tickets, please contact Dobama's box office 216-932-3396 or log onto [www.dobama.org](http://www.dobama.org).
