

What Makes The Coral Company Unique?

Our team shared their thoughts:

- Honesty and an open-door policy for questions, ideas, and concerns.
- Sense of value: there's a genuine investment in what I'm doing.
- Inclusive onboarding, feedback, and mentorship programs that prime us for success.
- Culture that promotes creativity and career growth.
- Supportive and passionate coworkers who always make time for one another.
- Teamwork and respect throughout the company.
- Commitment to the whole team and our clients.

ALL ABOUT THAT SPACE

The Coral Company's passion is real estate. Our mission is to be the premier real estate services company in every market we serve while positively impacting the communities and spaces we serve.

We're Building. Community. Together.

We pursue our mission by being dedicated to problem solving, applying industry-leading knowledge and technology to our clients' needs, and delivering exceptional service that is responsive and thoughtful. It is our corporate creed to "only promise what we can deliver and always deliver what we promise."

Our highly experienced team manages 5+ million square feet of residential and commercial properties, community associations, and investment properties. In the past three decades, we've taken on properties with physical, financial, system, and marketing/leasing challenges and consistently produced creative and successful results.

We want to hire and retain the best in the business. The strength of our team enabled us to recently double our business and is a testament to the many talented people working together to serve our customers, honor the obligations of our owners, and care for the environment and communities we serve.

We invite you to join our team to invest in yourself and help grow our company. We're looking for more experts in property management, development, and leasing of both residential and commercial properties. Our salaries and benefits are highly competitive. We value integrity and creativity. Learn more about our current career opportunities: www.thecoralcompany.com/careers-at-coral
